*“READY TO GIVE BACK TO THE COMMUNITY ”*

Today, I’m asking for your support that I may represent “District 38” as a delegate at the California State Democratic Convention. Now that I’ve retired, I’m ready to give back to the California 38<sup>th</sup> Assembly District.

## A little about me:

- My family and I have been residents of the Santa Clarita Valley since 1979
- Both my children are graduates of Hart High who have gone on to Sonoma State University, graduating in four years. My daughter recently received a masters degree from Carnegie Mellon University in Pittsburg, PA.
- I am a Licensed Clinical Social Worker and have worked in the mental health field for over 30 years. I have always been a working mom.
- I have volunteered for phone banking and voter registration for: The Obama–Biden Campaign; the Clinton–Gore Campaigns; Several of the San Fernando Valley Democrat centers since we had no center here in the SCV ( e.g. Brad Sherman; and Antonio Villaraigosa to name a few).
- I volunteered to drive my car for other volunteers, including teens, so that they could help the Las Vegas Democrats with the Obama campaign.
- I volunteered doing phone banking for Planned Parenthood’s “No on 4” campaign
- I support the Progressive Platform
