ARTICLE IN THE SIGNAL

There is an article about Mayor Kellar in today's Signal (3/20/08) on the front page. I wanted to send out the link to the on-line version but couldn't find it. So, I called The Signal to ask where it was and got put through to the IT department. He told me they pulled it because the headline was too inflammatory.

H-m-m-! Anyway, try to find the article today, it's very interesting!!

NEXT DAA MEETING

THURSDAY 3/27 7:00 PM

Vincenzo's Pizza-SMALL ROOM, 24504 Lyons Ave. Newhall

ENTER BETWEEN SHELL AND CHEVRON

ON THE MEETING AGENDA

We will be discussing some of the **RUMORS, MYTHS AND LIES** out there about our 2 Democratic PRESIDENTIAL candidates and have a candid discussion about those and other issues facing Democrats in the upcoming Presidential election.

HELPING DIANE TRAUTMAN AND MARIA GUTZEIT

-Want to help our 2 candidates in the City Council election but don't have time? I have an easy thing for you to do. Just pop by your polling place with a cell phone in the evening and check that list hanging on a hook to see which Democrats have not voted yet and call them. I did that for Henry Schultz a few years ago. When I called voters, most people sheepishly admitted they were not planning to vote but when I told them he was a Democrat and really needed their vote, they agreed to go and vote. And he placed high in that precinct! The polls are open until 8:00 pm. I

will have a list of polling places with me in case you want to go to a different one, or in case you live outside the city and want to help. I will give out polling place addresses and some tips on how to do this at the meeting, but if you can't come to the meeting and want to do it, PLEASE contact me by phone or e-mail.

BASIC SWING DANCE CLASS

There are still openings for this easy, beginner swing dance class. **Anybody** can sign up-no matter what party they are in! It's \$20 per person (total) for 4 lessons, paid in advance. Trust me, that is a deal!! **Proceeds to be used for the Democratic Headquarters!** Sign up by e-mail, by phone or at the DAA meeting.

We want an even number of men and women, so just bring a friend of the opposite sex if you aren't part of a couple now! We rotate partners during the class. Also, some people told me that might have to miss one class-no problem! You can come in early the next week to get caught up.

The teacher is my hubby, and he is very patient! He has been teaching this class at the YMCA the last several months, and also teaches individuals at the senior center every Wednesday, with great results.

PLEASE FORWARD THIS INFORMATION TO ANYONE YOU THINK MIGHT BE INTERESTED!
