#### What's Wrong With Obama??

Meetup / Discussion Group

Wednesday, June 17th

The Library, A Coffee House

3418 E. Broadway, Long Beach

7:30 pm to 9:00 pm

The President has been doing so many good things for this country but is it all good? He has asked us to let him know when we think he has erred. Let's get together and talk about it.

- Is merely changing the term "Enemy Combatant" enough?
- Is "Preventative Detention" a good idea or a slippery slope?
- Is approving strip mining what we signed up for?

This will be an informal discussion. Do your homework and share it with us or just come to learn and express your opinion.

Let us celebrate our independence from the rule of tyranny and politics of fear. It has been many years since we could display the flag without appearing as if we support the actions of a president with which we did not agree.

Let us enjoy this moment and share the aloha!
