

FOR QUALITY SCHOOLS IN CASTAIC

Vote YES on QS for QUALITY SCHOOLS in Castaic

Measure QS gives Castaic LOCAL control over LOCAL funds for LOCAL needs

- NONE of the funds can be taken away by Sacramento
- NONE of the funds can be used for administrator salaries

We are fortunate to have outstanding elementary and middle schools here in Castaic. Thanks to strong core academic programs, outstanding teachers and a community that supports our schools, student test scores at all four Castaic Union School District schools are well above the state standard for excellence.

Voting Yes on QS will help Castaic schools to:

- Qualify for millions in matching funds that would otherwise go to other communities
- Retain our award-winning teachers and maintain small class sizes
- Protect quality academic instruction in core subjects like math, science, reading and writing
- Provide teachers with the resources they need to help students succeed
- Support safe and supervised afterschool activities that help keep kids on the right track
- Provide all students with equal access to modern, high-quality classrooms and science/computer labs
- Create jobs for local residents, pump money into our community and get our economy on track

Measure QS requires strict fiscal accountability. Annual audits, an independent citizens' oversight committee and regular reports to the community are mandatory to ensure funds are spent as promised.

We cannot rely on the State to adequately fund our schools and waiting will only make these projects more expensive. Voting Yes on QS allows Castaic schools to take advantage of historically low interest rates and construction costs.

The best part is, Sacramento can't take away ONE PENNY of Measure QS funding.

Join parents, teachers, retirees and community leaders—vote YES on QS.
