

We are the party of YES.
We do not shrink from
confrontation,
We do not shrink in fear,
We champion the truth boldly

and act decisively on behalf of the people.

We act boldly and decisively against those who
would trample the rights of the people.

We say YES, and

We put our words into action without fear of those
who can only try to bite our ankles as

We stride forward, leaving them behind and
leading us all to better days. This is what the large
majority of the people want.

DECIDE! MOVE! ACT! WIN!
