RE: SOLEDAD CANYON/(CEMEX) BILL S.759, Thanks & Support

Dear Senator Boxer,

The Democratic Club of the Santa Clarita Valley offers, by unanimous vote, its enthusiastic support for the passage of Senate Bill 759 (The Soledad Canyon High Desert, California Public Lands Conservation and Management Act of 2011).

We thank you for your leadership in advancing this most critical policy issue.

We also thank the huge number of individuals and organizations that have united to advocate this legislation, particularly the CEMEX Corporation, which never originated this mine, but only "inherited" it as part of its purchase of the Southdown Company.

The Democratic Club of the Santa Clarita Valley stands ready to assist you in any way to achieve passage of S.759.

With Our Warmest Regards and Deepest Respect,

Allan Cameron

Allan Cameron, President,

Democratic Club of the Santa Clarita Valley
