

California Democratic Party Assembly District Election Meetings to take place January 8 and January 9, 2011. On Saturday and Sunday, January 8-9, 2011, Democrats from around the state will convene to elect their delegates and executive board representative to the California Democratic

State Central Committee. To be eligible to vote for delegates and the executive board representative you must have been a registered Democrat in your Assembly District no later than October 18th, 2010, unless you turned 18 or were naturalized after this deadline, and are registered or register on site. To receive a ballot you must register on site by the time listed. If you do not wish to attend the full length of the meeting, you can sign-in, vote for delegates and the executive representative, and leave. There will be a requested \$5.00 donation to help cover costs unless you declare that paying the fee would constitute an economic hardship.

If you are interested in running as a delegate, you must go to the California Democratic Party's web site: <http://www.cadem.org/news/latest?id=0001>. You must register as a candidate by December 9th, 2010. Delegates will serve for two years and attend the state conventions in the spring of 2011 and 2012. The 2011 convention will take place in Sacramento April 29-May 1. Details of the 2012 convention have yet to be announced. Please be aware that delegates are **responsible for paying dues**, usually about \$150/year, as well as their own travel costs to and from the convention.
