

November 6, 2008 YES WE CAN . . . YES WE DID . . .

We present to you "Obama Finish Line Watch Party" and thank those residents who came out and joined members of The Democratic Club of the Santa Clarita Valley. Due to a family emergency we couldn't share this moment with you. Photos were taken by Jonathan Kraut, the outgoing Club President and we look forward to meeting you all at our next November club meeting. Visit

and for a full calendar of meetings and events in the Santa Clarita and surrounding areas please see

<http://www.scvyoungdemso.org>. We are seeing an incredible change in the United States of America and we believe this is due to having President Elect Barack Obama. We believe that hope is coming in the difficult times ahead. We must believe that the Audacity of Hope we heard Obama speak of is required to put our nation back on the

good world footing in the months ahead. It will take perseverance, inner strength and probably make us question our faith, but this is what challenges are, an opportunity to show our true character. . . with 120 million voters and

the highest election turn out in the United States. Inauguration day is 01/20/2009. We can hope that we get out of the Iraqi and Afghanistan wars, bring our troops home, restore our economy, and that we are able to renew ourselves to a world respected nation. Thank you for Voting, And Believing let's all Get to work to make this Hope a new Reality . . . Young people we know you have witnessed this battle between the old and the new but this is just the beginning of a long contest for restoring our nation into a nation of ONE. We will continue to hear rumors and rumors of

rumors similar to those we heard in the election campaign. The politics will not stop but we can only hope we reach across the aisles and find balance in all of our desires to have the ONE AMERICA that Obama spoke of, so eloquently. We again thank Susan Christopher for Bringing us in as Communication Directors and we are committed to bringing the "change we can believe in" to the residents here in the Santa Clarita Valley and look forward to what 2009 brings us. Praying for Peace,

Minerva and Todd Hoover
