**For Palmdale
City Council**

I am running as a candidate for Palmdale City Council. My experience includes, but is not limited to:

- University of West Los Angeles, School of Law, J.D.
- Service Employee International Union - United Healthcare Workers-West
- Captain, Neighborhood Watch Group in Palmdale
- Partners for a Better Palmdale - "Ambassador"
- Associate Minister, Solid Rock Bible Church
- Convener, "Yes, I'm Shopping in Palmdale"

"At the core of our democracy is the fundamental belief that democracy works best ONLY when citizens participate in the process of governing."

As a long-time advocate for the people, I will continue to fight for:

- Jobs that are career-oriented which create permanent stability instead of temporary benefits;
- Increased Neighborhood Watch Groups that work in conjunction with law enforcement;
- Re-opening Palmdale Airport with greater commercial travel;
- Affordable and comprehensive Universal Healthcare;
- Vigilant to keep Youth out of the Juvenile and Criminal Justice System.
- A strong Palmdale economy with special focus on the small business owners;
- Preventative programs that provide measurable results

A VOTE FOR ME IS A VOTE FOR OUR COMMUNITY'S FUTURE!
