

Signup for 'CD 28N Canvassing in NOHO'

Lets us travel through the neighboring streets of North Hollywood to remind voters that the California primary is nearing; the people of NOHO must know we're present, that their vote for Barack is a must if we want a president who represents the courage, the vision and the idealism we wish to achieve when we inaugurate a new POTUS come 2009.

Essentially come out and knock on some doors and lets pump people up!
