10-minute video showing ImaginAction's many projects around the world.

Working with leaders of the internally displaced population (the largest in the world) in Colombia. Ongoing work with youth impacted by the in/justice system in Los Angeles. Channeling the stories of survivors with theatre at the Program for Torture Victims (PTV). Ongoing work in Palestine, especially with the Freedom Theatre in Jenin. Work with environmental groups in Hong Kong, Beijing and Lanzhou, China. Creating Street Theatre Performance/Vigil with giant puppets to support the SOAWatch in their efforts to close the SOA/WHINSEC to change the paradigm of militarism.
