

You are strongly encouraged to attend:

WHITTAKER-BERMITE CAG

7:00 PM to 9:00 PM

Santa Clarita United Methodist Church,

26640 Bouquet Canyon Road, Santa Clarita, California 91350

The City has a tri-yearly "Multi-jurisdictional" meeting Wednesday, March 6, 2013 at 3:30PM at the Santa Clarita City Hall.

RICK DREW, Chairman of the Whittaker-Bermite Citizens Advisory Group; Canyon Country Advisory Committee Board of Directors President will be leading the evening discussion "so that those that work during the day, can come to get information and ask questions regarding the contaminated 996 acres in the middle of our City and what the city is doing to contain and clean the area".

JOSE DIAZ, project manager from the California Dept of Toxic Substance Control, will present his report and be available to answer questions about any new information regarding the Whittaker-Bermite contamination.

The community is strongly welcome. Meeting is FREE of charge. Voting members to the decisions are encouraged by simply filling out an application. For more information please contact Rick Drew rikstax@sbcglobal.net or reach him at Whittaker Bermite Citizen Action Group (CAG) at 661-298-7261
