# Take a Break From Cooking, And Find Out What G & L and HMNMH Are Cooking Up For Us!

A small, but determined, group of Summit homeowners has been working diligently with Smart Growth SCV to obtain facts, and counter the deceptive rhetoric being dispensed by G&L Realty1 HMNMH, regarding the proposed "campus" expansion on McBean Parkway.

**We are now at a crossroads, when some hard decisions must be made**

We have obtained invaluable legal advice from an expert land use attorney;  
Our actions have brought about the reduction of the project, but it is still too  
dense for the area.

We have been able to cover expenses thanks to a few generous donors. To continue,
