

DINNER AND DIALOGUE . . .

**Who Deserves to be
The TOP COP
for Los Angeles County??**

All 10 candidates have been invited!

Being the Sheriff is a nonpartisan job, wouldn't you like an opportunity to ask the hard question before you vote? The City of Santa Clarita doesn't have their own police force so we depend on the Sheriff's Department to look after our safety and protection. Bring your questions and great investigative attitude. Open to the entire community. Wheelchair accessible. No underage drinking. Voter registration available. **Buy your own meal** which ranges from \$8 to \$20

All city candidates welcomed.
