Film— “The Unforeseen”, 2007 Sundance Film Festival Winner

An ambitious developer sets out to transform thousands of acres of pristine hill country around Austin, Texas into a suburban development. The community fights back. In the conflict that ensues, we see the very struggle between development and preservation, between the destruction of the natural world and an often fleeting dream, that is playing out today in the Santa Clarita Valley.

**NOW CELEBRATING OUR 22nd YEAR OF VOLUNTEER EFFORT  
TO PROMOTE, PROTECT AND PRESERVE THE ENVIRONMENT, ECOLOGY AND QUALITY OF LIFE
