@ 1:00 pm to 4:00 pm**

WE ALREADY HAVE THE LAND!

We are formally organizing a new group to create a community garden on part of 2.5 acres of private property in Chatsworth, near Stoney Point, by Topanga Canyon Blvd. and the 118 freeway. Everyone is welcome, regardless of experience. We need people to help make decisions and divide the work and responsibilities. We welcome your participation to help contribute to the design, development, and maintenance of the garden.

We will design the garden club organization – number of officers, their titles and responsibilities.
