

Good Morning residents of the 25th Congressional District

Dr. Lee C. Rogers says:

“Let’s fire up your walking shoes for change.
Change begins with action.”

SCHEDULE:

Sunday, March 25th, Noon-4:00 P.M.

Come join our *Walking Beat Team For Change!*

Meet members of your community and hear Dr. Lee’s candidacy for the 25th Congressional district represent you in a casual setting.

Help door hanging, and knocking on doors to meet and to remind residents that the June primary is coming and their votes not only count but are needed.

Dr. Lee is a nationally recognized foot doctor. He is a director at Valley Presbyterian Hospital. He will show you great warm up exercises. Take his time to share your point of view and ask questions.

You will have up to four hours to come, to meet, to talk and to walk with the doctor while meeting your own neighbors. Change begins with action! Instead of whining about Buck. Start actions to replace out of touch career politicians who say they represent you.

Call SCV Communicators & Friends and leave your name, area code, zip code and message at (661) 295-9318 or write us at: crazycatherder@ca.rr.com
