COFFEE PARTY MISSION STATEMENT: The Coffee Party Movement gives voice to Americans who want to see cooperation in government.

We recognize that the federal government is not the enemy of the people, but the expression of our collective will, and that we must participate in the democratic process in order to address the challenges that we face as Americans. As voters and grassroots volunteers, we will support leaders who work toward positive solutions, and hold

Take the Civility Pledge

As a member or supporter of the Coffee Party, I pledge to conduct myself in a way that is civil, honest, and respectful toward people with whom I disagree. I value people from different cultures, I value people with different ideas, and I value and cherish the democratic process. Join thousands of others!
