

Military Sealift Command

The Military Sealift Command (MSC) is a [United States Navy](#) (USN) organization that controls most of the replenishment and military transport ships of the Navy. It first came into existence on 9 July 1949 when the Military Sea Transportation Service (MSTS) became solely responsible for the [Department of Defense](#)'s ocean transport needs. The MSTS was renamed the Military Sealift Command in 1970.
