

Earth Day

Saturday, April 18, 2009 from 10am to 5pm at Central Park.

Come enjoy a variety of activities, entertainment,
and displays featured in six interactive zones.

City of Santa Clarita

Earth Day Festival & 20th Annual Arbor Day Celebration

Energy Zone

Come see displays by solar companies, green builders, and companies developing alternative energy use products for the home.

Community Zone

Non-profit and community groups will present displays, hands-on opportunities, and giveaways for visitors.

EcoZone

Visit the Eco Footprint Tent and find out your demand on the Earth using an on-line carbon footprint test.

Green Car Zone

Come see the latest vehicles using hydrogen fuel cells, gas-electric hybrids, electric vehicles, ethanol, bio-diesel, and compressed natural gas!

Children's Zone

Experience a variety of hands-on activities, displays, games, and entertainment where families can learn about global warming, solar energy, water, and pollution.

Water Conservation Zone

Visit interactive educational displays emphasizing the importance of water conservation.
