Paul Koretz [<paulkoretz@hotmail.com>](mailto:paulkoretz@hotmail.com)

DPSFV endorsed candidate, Paul Koretz is launching the final month of his campaign to bring responsive, progressive leadership to the 5th District of the LA City Council.

Join Paul, elected officials, community leaders and Democratic activists as we rally the Valley to spread the message that Paul Koretz, the only candidate endorsed by the Democratic Party, is a true public servant with the experience to fight for us on the Los Angeles City Council. We'll be going door-to-door and calling voters. Bring a fully charged cell phone with those free weekend minutes ☺

Help spread Paul's message of attentive, responsive, progressive leadership.

Let's make it happen!
