

*As an influential member of the community, I'm sure your friends and neighbors are asking your opinion about the Propositions on the upcoming May 19<sup>th</sup> Special Election ballot.*

*These propositions are VERY controversial – even Democrats are split on how to vote – we have decided to devote the majority of our meeting to sorting out these propositions for you. If you haven't made up your mind, or even if you have, but would like more information, our meeting this Thursday is just for you.*

*Jim Wisley, Lead Co-Chair of the California Democratic Party Elections Committee, on the important May 19 budget propositions. What happened and what do Californians stand to win or lose? The Democratic Party has not taken a position on the initiatives, so Wisley's perspective will be that of an insider and activist. We expect there to be some lively discussion as some members have already voiced opposing opinions on some of the Propositions. Carole Lutness, a mental health professional and local Democratic activist will share her insights and opinions. The forum will be open to member discussion. All Dems are welcome. For more information call 222-7194.*

*This is an extremely important meeting, as your vote in the upcoming election will tell our government how you want your tax-dollars spent.*

*Lastly, the SCV Food Pantry is desperate for paper and plastic bags. If you would like to bring your donation to the DAA meeting, we will make sure they get to the pantry.*

*Democratically yours, Michael Kulka, president*
