

Special Screening of

Thursday, May 3rd, 2012 7:30 PM

The Downtown Independent

251 South Main Street, LA

Featuring Howard Zinn, Amy Goodman, Noam Chomsky, Mos Def, Michael Albert, Andrew Bacevich, Sut Jhally, Talib Kweli & Others! Directed by Phillip Montgomery

The film that explores the state of Activism in today's generation and the origins of the Occupy Movement is coming to theaters!

The filmmakers will be there afterwards to continue the conversation and are looking to get as many progressive minds in the room to continue in the conversation.

Since the Occupy Movement began we have made some significant changes to ReGENERATION!
