

From Dorothy Reik,
Pres. of Progressive Democrats of the Santa Monica Mountains ...

Obama is at it again. He wants us to meet with his organizing for America team and tell him what we think.

We have to do this or we can't complain. There are two meetings near us:

**Wednesday, May 13, 2009
6:30PM sharp!**

Santa Monica Library (310) 458-8600

601 Santa Monica Blvd, Santa Monica, CA 90401

Discussion led by Topangan, Mary Jo Stevenson.

This is our chance to demand an end to war and the implementation of single payer health care. Be there and be ready to make our case for both!!
