Tired of butting heads with the local Republican Party?

Come join us, we have salon-style discussions on issues and invite the Republicans to get into the conversations. We know we all have to live in this Valley and often it requires the meeting of the minds. Not everyone is stubborn or believe it is "my way or the highway". There are moderates here too, and we want to be able to have this exchange. Are we hell bent on believing everything we read in the paper. **No!**

Do we believe everyone is out to destroy the other party. **No!**

Do we believe that change begins with us and we have to have like-minded individuals on the team to make change. **Yes!**

We believe President Obama needs support for all Americans to benefit and rise up to the higher standard of Peace, Hope, Sustainability and Integrity Yes, Yes, Yes!

Agenda will be posted later for the next meeting. Meantime call in your RSVP so we can make the appropriate plans for your joining us. Do you wish to be put on the agenda? **Yes!**

Please contact Mike Cruz, Club President <scvdems@gmail.com>

Will you call be returned? **Yes!** Leave message with your area code, Ask for Minerva or Todd (661) 295-9318, or email: minwilli@gmail.com.
