

**TWO MEETINGS WILL DEAL WITH THE INCORPORATION OPTIONS FOR
THE UNINCORPORATED PARTS OF THE SANTA CLARITAL VALLEY**

These upcoming forums, to be hosted by Richard Berkson, the consultant commissioned to do the Initial Feasibility Analysis (IFA) for LA County will describe the options for the unincorporated areas of Los Angeles County. The communities of Castaic, Westridge, Tesoro and Stevenson Ranch will all be impacted by this. This presentation is meant to be informational and to introduce the advantages and disadvantages of either becoming part of the City of Santa Clarita, incorporating into independent cities, or remaining unincorporated. If you are interested in learning more, please attend one of the following meetings:

Monday, June 15th, from 6:30- 8:00 PM
Stevenson Ranch Elementary multi-purpose room
25820 Carroll Lane, Stevenson Ranch 91381

Thursday, June 18th, from 6:30-8:00 PM
Castaic Middle School multi-purpose room located

These options will be placed on the November ballot for future consideration, so it is of the utmost importance that anyone living in these areas learns what this is about.
