Join Obama supporters for a meetup/new volunteer welcome! This will be the first of monthly meetups/volunteer welcomes/orientations. Beginning in July these will be held on the 4th Wednesday of each month - locations to be determined. Leading the meeting will be:

Deborah Dent, CD 24 Coordinator,
Obama for America,

who will orient those of us ready to begin our volunteer work for the general election campaign. This will also be an open forum to discuss all aspects of the campaign including unifying the Democratic Party around the nominee, as well as an opportunity to get to meet local Obama supporters and leaders.
