Please Join the Working Blue Democratic Club for our Independence Day Weekend kick-off party on Silverstrand Beach. Last year this event helped train over 70 Local activists, start door-to-door voter registration, and send volunteers to work on local and regional campaigns. This year's proceeds will help open field offices throughout Ventura County and fund field ID and GOTV programs for the general election.

Dinner and Live music will be provided. Requested attire will be "snappy casual" which perfectly suits the fun-loving, family atmosphere for which Silverstrand Beach is known.

Please consider one of the following contribution levels:

Surfer (Master of the Waves & Guest Host): \$500
