

**Obama Monthly Meet up for the
24th Congressional District
Wednesday, July 23, 7 - 9 PM,
UFCW Orchid
Room in
Camarillo**

In association with:

Stonewall Democrats of Ventura County

On July 23 we have scheduled the second of monthly meetups that are planned for the 4th Wednesday of each month up until the election. This event will be co-hosted by Deborah Dent, CD 24 Obama for America Coordinator and Roni Flowers, Obama for America Volunteer. This will be an opportunity for Obama supporters and city group members to meet together, welcome new volunteers, participate in a brief Q & A and receive information on the campaign's general election plans for California. Also, Roni Flowers will conduct a workshop on voter registration.

Gerrymandering has created some strange outlines for California's Congressional Districts, so we will blur the lines a bit and work with volunteers in areas adjacent to our CD. Closer to election time we will also work down to the neighborhood and precinct level.
