

**Phonebanking
SATURDAY
July 26, 2008
9:30AM to 12:30AM**

This is our first swing-state phonebanking effort for the general election, calling "independent" and not declared voters in New Mexico. With the strength of our numbers and the enthusiastic efforts of this movement Obama can win New Mexico, which voted for George W. Bush in 2004 by less than a one-percent margin. We can't allow New Mexico to stay red in this critical election. "Yes we can!" Bring your fully charged cell phone and/or charger and create the change! Scripts and paper lists will be provided.
