Join us to focus on two hot issues, local and national! The Burbank Dems will consider a formal endorsement in the crowded field of 14 for the Los Angeles City Council special District 2 election Sept. 22... where our Assembly Member Paul Krekorian is a candidate ... and also get the latest for action options on the health care reform front—national and state as well, amid the state budget fallout and future drives.

We will also be looking to crew "Burbank Day" for the county party's booth during the L.A. County Fair in Pomona-- tentatively Saturday, Sept. 26.
