GRANDMOTHERS & OTHERS for PEACE

Sunday, August 2, 2009

Corner of McBean Parkway and
Valencia Blvd

NEW TIME

7:00pm to 8:00pm

Our troubles in Iraq are far from over, and now we are seeing the increasing toll of lives in Afghanistan of both our military and the Afghani people.

Please come join us next Sunday as we raise our voices against the increasing violence in our world.
