

If you have what it takes to help us keep building our story of success, we invite you to learn more about an amazing career with Lowe's. Opportunities exist within:

New Employee Training Program

The New Employee Training Program (NETP) is a comprehensive training program designed to align employees' experiences with Lowe's culture, vision and strategic initiatives. Throughout the first 90 days of employment, newly hired employees will participate in a series of meetings and training sessions that will help familiarize them with Lowe's working environments and culture, and educate them on the Company's history, vision and values.

From comprehensive health and life insurance plans, to work/life programs, a 401(k) and a discount stock purchase plan, Lowe's employees can choose the coverage that best fits their unique needs. Our benefits options include:
