**47 calls for Barack's 47th Birthday**

Greetings grassroots friends! MONDAY AUGUST 4<sup>th</sup>, 47 calls for Barack's 47th Birthday on August 4<sup>th</sup>. Today is Senator Obama's 47th birthday and I propose we celebrate this birthday in style. With the economy the way it is not everyone can afford to donate money and as grassroots activists we know that the way to take money out of politics is by donating our time and energy to our causes. Today, I am asking that you make a minimum 47 phone calls into the great state of Nevada using the links below:

We can make this August, and this birthday in particular one for the books! This is how we win. This is how we combat John McCain and the RNC's negative attacks on us. I intend to call this evening, will you do the same? Will someone please match my donation of 47 phone calls?

Thank you,
