

**AUGUST 7<sup>th</sup>, 2008,**

***Message from Isaac,***

**The Democratic Neighbors of the 38<sup>th</sup> Assembly District**

***"the many little feet of the Santa Clarita Valley"***

I am heading up the SCV HQ and SFV/DP/SFV GOTV (Get Out the Vote) efforts for the 38th Assembly District Precinct Walking. Here is the coming schedule:

- ★ 8/9 (Sat) from 5-7pm starting at **Mary Fuchsman's home, [24957 Highspring, Newhall CA 91321](#) (661) 993-2874**
- ★ 8/10 (Sun) from 4:30-7pm starting from **Dorri Raskin's home, [18350 Los Alimos St., Northridge, CA 91326](#) (818) 363-3809**

Even if you have never knocked on a door and looked another Democrat or Decline to State in the eyes, it is a rewarding experience because precinct walking:

- 1.) Ignites people to get involved, those contacted through precinct walking are 72% more likely to get out and vote in the election
- 2.) Great personal exercise
- 3.) Offers camaraderie, meeting people, and developing friendships that otherwise you would never have thought about
- 4.) Encourages people to talk and think about their candidates and choice for the propositions
- 5.) Results in a jolly good time together to discuss those that you meet, to expand your ideas on issues and afterwards eating dinner at a nearby restaurant.

It may appear scary at first but you will always walk in pairs. Training is provided and you are never a phone call away from added support. As opposed to what you may think, very few people are nasty, enjoy the opportunity to talk, and will thank you for your efforts and commitment. We need to GOTV and get the Democrats and declined to state to Vote by Mail (VBM) because VBM's are 82% more likely to vote than poll voters.

**Come out and join us this 2008 historic election season!**

Let me hear from you soon,

***Isaac***
