

Dear Obama Supporters,

There are many more "CA to NM" phone banks to organize this weekend. We can't thank you enough for the time and effort you have put into helping New Mexico; we can only ask that you keep hitting the phones hard, like you've been doing, and begin thinking about other ways to make a difference in the western swing states. California supporters are among the most savvy campaigners in the country. We are very excited for you to travel to New Mexico to talk face-to-face with people about why you support Barack Obama on the weekend August 23-24. Please sign up below for this weekend, or to sign up for any of the other important weekends coming up in September and October.

No experience is necessary—just a willingness to work hard each day you're here. Please go to this link to learn more, to sign up, and to be contacted by a campaign staffer in New Mexico.

If there isn't a phone bank near you or you are unable to volunteer here in New Mexico, don't worry! Please think about calling from home by going to <http://newmexico.barackobama.com> now or contact me to find out how to organize a phone bank in your neighborhood.

I look forward to seeing you here!
