Join Me in the Board Room

Dear Business Owner,

I would like to invite you to participate in a **Board Room Think Tank** with me and other business owners. We will work together sharing ideas, suggestions, solutions, and resources to optimize your sales and business need. This is not a mastermind meeting, it is an opportunity for you to create a bill board and workable strategies tailored to your business using innovative thinking and processes.

If you are interested in joining me call 661 208-8229. Reservations is required and seating is limited (14 seats available).

(Bring pen, notepad, and your thinking cap)

Hope you can make it.

Sincerely,
Connie Sparks
