

**ORGANIZING
FOR AMERICA**

We Are One - Organizing for America (WAO-OFA) will be hosting an informational forum on **Health Insurance Reform**. The purpose of this forum is to provide members of the Northeast San Fernando Valley a place to have their questions and concerns regarding this topic discussed.

There will be a panel discussion on the following topics.

Why is President Obama saying health insurance reform must happen now?

What is public option? What is single payer?

How would this proposed reform affect me?

What does it mean for senior citizens?

What is fact, what is fiction?

***Event will include a special thank you "Send-off" for
Congressman Howard Berman (CD 28), as he returns to Washington, D.C.***

Want to share your story?

There will be a room set up for individuals to video tape their personal health care stories.
