Description:

Become a HillStar!

HillStars are a group of 1,000 volunteers who are the backbone of Hillary's California field operation. This is a grassroots leadership opportunity to engage, inform, and mobilize supporters to be advocates for Hillary! Whether it be e-mailing your personal list of friends and family with campaign updates, contacting family and friends in other states about supporting Senator Clinton, hosting a house party or blogging - we encourage supporters to reach out to each other and take action in whatever form they can to spread the good word about Hillary.

We have a Simi Valley/Thousand Oaks HillStar training scheduled for Thursday, September 13, from 7:00 p.m. to 9:00 p.m. in Simi Valley. RSVP to SoCalHRChillaryclinton.com and specify this training session or call our headquarters at (213) 908-0190. This training session is casual attire and we suggest bringing a light snack/water for yourself. We look forward to seeing you on Thursday!
