Find out more about Barack Obama. Find out how you can volunteer to help,
with just a little of your time, in this campaign to get Barack Obama elected.
We need you - and our nation needs Obama!

Obama says: Because we're not going to be able to deal with the challenges that confront us until we end this war. What we can do is say that we will not be prisoners of uncertainty. That we reject the conventional thinking that led us into Iraq and that didn't ask hard questions until it was too late. What we can say is that we are ready for something new and something bold and something principled. It's time for us to breathe again. That begins with ending this war - but it does not end there. It's time to reclaim our foreign policy. It's time to reclaim our politics. And it's time to lead this country - and this world - again, to a new dawn of peace and unity."
