To Vote or Not To Vote: Turnout Challenges for 2012

To vote or not to vote? What's the practical impact of voting rules? What's been done to engage voters who've historically been hard to reach, and how effective have those efforts been? What is the 'real deal' with younger voters, typically considered least likely to cast ballots? Join the Pat Brown Institute of CSULA and host KPCC for a lively discussion about voting and our future.

Scott Bowman (Chair, Political Science at California State University, Los Angeles)

Kathay Feng (Executive Director, California Common Cause)

Justin Levitt (Associate Professor, Loyola School of Law)
