November 2010 Election

Statewide Propositions Forum

Dear Friends,

Please join us on Saturday, October 2, 2010 held at 2240 W. Washington Boulevard, LA 90018, from 9 am to 12 pm to learn more about the Propositions included on the upcoming November 2, 2010 Election Ballot. Our Propositions Forum is designed to educate the voters who live in our community to voice their concerns on these issues and hear how they stand to impact them. Come out and learn which proposition will stand to impact our daily lives.

Is legalizing Marijuana good for our community or economy? What does it mean if your Congressional Representative District is relocated? Does this mean Maxine Waters, Karen Bass, or Laura Richardson is, ***"No Longer your Congressional Representative?"*** Should we allow the State to reallocate funds originally used for transportation, local government projects and services towards the budget crisis? Our forum will provide you with the answers to these questions and many more.

Which proposition will help or hurt our community? *We want to educate you on the most controversial propositions listed on this November 2, Election ballot includes: **Proposition(s) 19, 20, 22, 23, 25, 26 and 27.*** Become more educated with each of these propositions, it is your right and not a privilege! Come out and hear the facts, so that you can be educated when you go to the polls on November 2, and ***Vote Yes or No!!***

Proposition 19: Changes California Law to Legalize Marijuana and Allow It to Be Regulated and Taxed

Proposition 20: Redistricting of Congressional Districts
