

Did you know that you and your family have been enrolled in the largest research study ever conducted in the United States without ever signing a consent form or agreeing to participate?

***Join us to learn about genetically modified foods and Proposition 37
The California Right to Know Genetically Engineered Food Act
Saturday October 20, 2012 at 1 p.m.***

**At the Democratic Party of the San Fernando Valley
Campaign Headquarters**

Carole Bartolotto, MA, RD will speak on GMO's and Proposition 37

For more information go to:

Genetically modified organisms (GMO's) also known as genetically modified or genetically engineered foods have been on the market since 1996 without testing by the Food and Drug administration or the U.S. Department of Agriculture and are not even labeled. You have a right to know what products are genetically modified. Proposition 37 gives you that right.

**RSVP: Mike Goldman mbg005@gmail.com (that's zero zero)
Come to the headquarters prior to the event and volunteer to get out the vote.**

Carole Bartolotto, MA, RD has a master's degree in exercise physiology and is a registered dietitian who has twenty years of experience working in healthcare. Carole consults, writes and speaks on a variety of nutrition topics.

DPSFV and the California Democratic Party support a YES vote on Proposition 37
