Several times each year, I take a group of DAA members and guests to the **Real Time with Bill Maher** show in Hollywood. For more information on Bill Maher please visit the following website: [http://www.hbo.com/billmaher/bios/bill\\_maher.html](http://www.hbo.com/billmaher/bios/bill_maher.html)

I have a special relationship with the audience coordinator and am permitted to bring large groups. The only thing I have to do is guarantee that everybody shows up, since they cannot have any empty seats on this show. So if you sign up, you have to promise to go! The minimum age is 18. I think this will be a great show so close to the election. I do not know who the guests are at this time. We will have carpools leaving from my house if you need a ride.

**IF YOU WANT TO CARPOOL, WE WILL GO TO FARMERS MARKET BEFOREHAND FOR DINNER AND LEAVE HERE AROUND 4:00 PM. THOSE WHO GO STRAIGHT TO THE STUDIO MUST BE THERE **NO LATER THAN 6:30.****
