Dear Friend:

On November 6th & 7th, EMILY's List will be offering a terrific training opportunity for pro-choice Democratic women in California and surrounding states. We would like to extend an invitation for you or someone you know to participate in the training.

As you may know, EMILY's List is a political donor network and political resource for pro-choice Democratic women candidates. EMILY's List has initiated a program designed to recruit and train women to run for and serve in elected office in the states. Whether a pro-choice Democratic woman is currently serving on the school board, or in the State Assembly, or just beginning to think about running for elective office, we are certain this training will provide her with the skills and inspiration needed to successfully run for office.

We hope that you or someone you know will join us at the **Marriott Los Angeles Downtown: 333 South Figueroa Street, Los Angeles, California.**

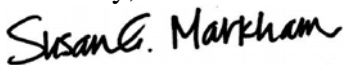

The program will begin on the evening of **November 6th** at 5:30pm with registration followed by a welcome reception and short session, ending at 8:30pm. **Wednesday, November 7th** begins at 8:00am and will be filled with training on fundraising, message development, direct mail and other important campaign issues, ending at 5:00pm.

The program, including materials and meals is free, however space is limited. Partial participation is not possible- you must make a commitment to attend the full program in order to be allocated a seat at the training. **Please note:** Due to popular demand but limited space, we ask that only first time participants register for our Political Opportunity Program training sessions.

Please respond to this invitation by October 25th by faxing or emailing the attached sheet to (415) 658-0707, Attn: Janine Salalac. **EMILY's List will not make lodging arrangements for participants.**

We hope you or someone you know will be able to join us. If you have any questions, or would like further details, please call Janine Salalac at (415) 281-2808 or email jsalalac@emilyslist.org.

Sincerely,

Susan Markham
