SPECIAL EVENT: TALK, DISCUSSION & BOOK SIGNING

MARK EDWARD

Mark Edward confesses that for years he exploited believers who wished to connect with supernatural ideas and sad family members who missed dead loved ones. Edward believes that most practitioners of the psychic business are out-and-out scam artists, and that the common need to believe in things supernatural is merely a part of human nature.

Edward is a professional mentalist who has worked the Magic Castle in Hollywood for over thirty years and is also on the Editorial Board of *Skeptic* magazine, where he has worked with other critical thinkers to reveal the methods of psychic scamsters. His entertaining book *PSYCHIC BLUES Confessions of a Conflicted Medium* is at once confessional and instructional regarding human belief and those who exploit it.

“Mark Edward is an equivocator, fibber, and mountebank. Which begs the question: if a liar admits to lying, can he be telling the truth? He is a literate, informative, intellectual, a student of the psychology of humans, a foe of those

who would defraud the public for personal gain, and as an author and practicing psychic, he is first and foremost an entertainer.”—Joel Moskowitz, International Brotherhood of Magicians.
