Since this will be our seventh meeting, we will be reporting on all that we have done this month: marching in the Anti-War march in downtown LA, launching our new Edwards Aces program, a few more fundraisers with John Edwards (in person) this month, along with highlights from the campaign trail and more!

As we continue to set up and staff new tables for Edwards in LA, we are recruiting like crazy and always looking for people to come

and help spread the word about Edwards. Check out our current calendar of Edwards activities here in LA. For newcomers, we hope to answer questions you may have about John Edwards, and give everyone updates about what's been going on with the campaign (both nationally and locally). We look forward to meeting everyone - Tuesday (11/27) at 7:00 pm!! For weekly updates check out:
