**Description: Please join us for a House Party to support Senator  
Hillary Clinton's campaign on Monday, December 10.**

**Hillary needs our help raising the funds and activating the  
support she needs to win the Democratic nomination. This is an  
opportunity to get new and current  
supporters involved in the  
campaign, and hear from the  
Senator herself on a live conference  
call from 9:30 pm – 10 pm EST! We  
are passing out fliers and telling the  
whole neighborhood to come, send  
us stickers and banners to help  
promote.**
