

## DONKAPHANT FILM FUNDRAISER (Fundraising)

DONKAPHANT  
FILM FUNDRAISER

Host: JIM HAYMAN, The Executive Producer of “ UGLY BETTY ”!  
JUSTIN SCOT, and GRAHAM SIBLEY have created the first interactive short film festival that bridges the political and entertainment worlds. This evening is to raise money for our next President. This short film festival will play approximately 80 minutes in length and will raise social, political, and cultural awareness among our audience. Our audience will leave thinking deeper about their neighbors and their place in the world – and all of this under the umbrella of leadership in America and how we, as a democratic state, will decide who will lead us over the ext 4-8 years. Through the purchase of an admission ticket the participants will be given mock ballots on which they will cast their vote, fill out their personal information, and give a cash donation for whom they want to see as the next leader of our country. During an evening of thought provoking, sometimes funny, sometimes controversial short films, drinks and conversations with campaign members, the ballots will be collected and then counted. Like our democratic state, the candidate with the majority vote will have the cash donations sent to his/her campaign. This is a cutting edge, never before seen, happening!
