Description: Please choose and join in on one the many California Debate Watch House Parties on December 10th! As you may know the Senator has been busy voicing her vision for America and voters across California are listening. While all the major candidates are debating the issues on Monday, December 10th in Los Angeles, you can help spread the word that Hillary possesses the experience we need to get the country back on track.

Come to a party to see Senator Clinton live at the debate!

Bring your friends and family - this will be a great opportunity for them to see Senator Clinton showcase her strength and leadership on the most important issues affecting the nation.

At the end of the party, we'll get to hear from Hillary on a post-debate conference call! Don't miss out – please RSVP now!
